COMMENTS INVITED ON APPLICATION OF QUESTAR INFOCOMM, INC. TO DISCONTINUE DOMESTIC TELECOMMUNICATIONS SERVICES

WC Docket No. 06-34
Comp. Pol. File No. 747

Comments Due: February 13, 2006

Section 214 Application

Applicant: Questar InfoComm, Inc.

On January 26, 2006, Questar InfoComm, Inc. (Questar or Applicant), located at 180 East 100 South Street, Salt Lake City, Utah 84111, filed an application with the Federal Communications Commission (FCC or Commission) requesting authority, under section 214 of the Communications Act of 1934, as amended, 47 U.S.C. § 214, and section 63.71 of the Commission's rules, 47 C.F.R. § 63.71, to discontinue its provision of certain domestic telecommunications services in Utah.

Questar states that it currently provides outbound toll service including the following interexchange services: "1+" calling service, dedicated outbound service, travel card service and personal 800 service, to approximately 100 customers located in Utah. Questar proposes to discontinue its provision of interstate and international interexchange service to these customers as of March 1, 2006 subject to the approval of its application.¹ Questar indicates that its interstate private line services will continue to be offered. Questar states that, on January 25, 2006, it provided all affected customers with written notice of its proposed discontinuance, by letters sent via U.S. First Class mail, and in accordance with the requirements of section 63.71 of the Commission's rules. Finally, Questar asserts that it is a non-dominant carrier.

In accordance with section 63.71(c) of the Commission's rules, Questar's application will be deemed to be automatically granted on the thirty-first (31st) day after the release date of this public notice, unless the Commission notifies Questar that the grant will not be automatically effective. Accordingly, pursuant to section 63.71(c), absent further Commission action, Questar may terminate service to its affected customers on **March 2, 2006**. The Commission will normally authorize proposed discontinuances of service unless it is shown that customers or other end users would be unable to receive service or a reasonable substitute from another carrier, or that the public convenience and necessity would be otherwise adversely affected.

¹ Discontinuance of international service is governed by 47 C.F.R. § 63.19.

This proceeding is considered a "permit but disclose" proceeding for purposes of the Commission's ex parte rules, 47 C.F.R. §§ 1.1200-1.1216. Comments objecting to this application must be filed with the Commission on or before **February 13, 2006**. Such comments should refer to **WC Docket No. 06-34 and Comp. Pol. File No. 747**. Comments should include specific information about the impact of this proposed discontinuance on the commenter, including any inability to acquire reasonable substitute service. Comments may be filed using the Commission's Electronic Comment Filing System (ECFS) or by filing paper copies. See *Electronic Filing of Documents in Rulemaking Proceedings*, 63 FR 24121 (1998).
